Term 2 Issue #6 (03.03.23)

We are hiring!

We would like to thank Mrs Kirkpatrick who has stepped in and covered the role of school cleaner while Mrs Bell has been off on sick leave.

Mrs Kirkpatrick is finishing this week and we need a temporary cleaner for 2 hours per day to help Mr Porter keep the school in tip top condition. The hours are 3.30pm-5.30pm daily. If you would be interested, please contact the school office to let us know.

School Council news

Do you have lots of old toys cluttering the house that nobody plays with anymore? Do you want to clear some space? The school council love running shops in school and would like to run a bring and buy sale this term. If you have any toys, games, teddies etc that your children have finished with but are still in good condition, the school council are collecting for their sale next week. Any items can be sent in with the children until Friday 10th March.

Class assemblies coming up

Our next class assemblies for parents are coming up this term. Mrs McClure's class will be sharing their learning on Wednesday 8th March. Parents with children in this class are very welcome to join our assembly to see the children share their learning. Mrs Harris's class will hold their class assembly on Wednesday 29th March.

BINGO!

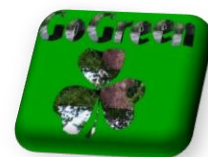

We will be holding a family bingo night on Friday 10th March from 6.30pm-8pm. Tickets will be on sale next week and cost £3 per adult and £1.50 per child. Book your tickets on the school gateway app. There are limited spaces so get in quick if you don't want to miss out!

St. Patrick's Day

There are no school dinners available on 17th March due to the St. Patrick's day holiday. We do not take this day as holiday so all children will need to bring a packed lunch to school. The School Council have asked if we can have a non-uniform day and everybody wears green instead in exchange for a donation to their kitty. (suggested donation of £1) Maybe you could pack a 'green themed' lunchbox!

Now there's a challenge!!

Shared Education

After 6 years, our shared education programme is coming to an end. We have one more class trip to go which will see the P6 and P7 classes enjoying a free trip to Airtastic. After that, we will have a couple of celebration events to finish off in style.

Our final outing with St. Marys' will be a joint, whole school trip to the cinema on Monday 20th March and we will then have an outdoor activity day on Tuesday 21st March where each school can see what the other has used the funding for in developing their outdoor spaces. We have really benefitted from the Shared Education funding over the past 6 years and hope that there will be a replacement for the programme coming soon so that we can continue to enjoy our partnership with our friends from St. Marys.

Parent Appointments – advance notice!
