Red and Orange Classes – 'Let's Talk About' Session

The SEN Specialist Setting Support Team (SEN SSST) are holding a bespoke parent session entitled "Let's Talk About- Managing Big Feelings to Support Behaviour" in school next Wednesday, 28th February. Parents from five local schools with specialist settings have been invited.

The interactive training opportunity will facilitate a relaxed environment for parents and carers of pupils in local settings to meet and support each other. The session will enable you to pick up activity ideas for building your child's confidence and self-esteem. Strategies will be discussed to assist you in supporting your child's needs at home and in the community.

This is a very informal session, in a relaxed environment, with discussions taking place over a cup of tea/coffee. Is an opportunity for you to meet and chat with other parents.

We would like to reiterate that these sessions are specifically for the parents/carers of pupils who are in specialist provisions attached to mainstream schools.
