Term 3 Week 8 (01/3/2024)

We are celebrating World Book Day in school next Thursday, 7th March.

Children can come to school in their favourite pyjamas, bring a cuddly toy and even a blanket to enjoy our 'bedtime story' activity.

As part of our celebrations we are holding a Book-in-a-Box Competition. If your child is entering the competition please ensure their entry is sent in to school on the morning of Thursday 7th March. We are looking forward to seeing the creations!!

We are also holding a book swap on the day. If your child has a book in the house, that they have finished with, that you think another child may enjoy, send it in for your child to swap with another child. Share the book love!!

We are running a whole school Mathletics Challenge right up to the end of this school year.

We would like to increase the participation in Mathletics for homework. We have been talking through the rewards system in school and are running a challenge to see who can gain the highest level certificate by the end of this school year – aiming for Legend status.

1000 points in a week gains a certificate which will be given out in Friday's assembly. If your child receives 5 certificates in a level, this unlocks the next level eg. 5 Bronze Certificates will then unlock Silver level and so on. The most a child can gain is 1 certificate a week.

Children will receive a certificate and a small prize for the 1st certificate in each level.

Participation will carry on in Times Tables Rocks and Numbots with certificates being given out for accuracy and good effort.

We would love to see more certificates being given out during Friday's assemblies.

Silver Trophy

This week's silver trophy winner is Katie W.

Congratulations, Katie !

STARS OF THE WEEK

Congratulations to this week's stars of the week:

Rainbow Class	Raz
Yellow Class	Jayden
Green Class	Ella P
Blue Class	Ellie
